Codekul Institute 2022-23

PROFILE

Innovative and detail-oriented Fresher Front End Developer with a passion for creating responsive and user-friendly websites. Skilled in collaborating with back-end developers, utilizing version control systems, and staying up-to-date on emerging technologies. Proven track record in improving website traffic, performance, and functionality through the implementation of front-end coding standards and troubleshooting.

WORK EXPERIENCE

Web Development Intern

TechnoHack Edutech 2023

- Developed a responsive website UI using HTML, CSS, and JavaScript that reduced overall page load speed by 15%
- Collaborated with project managers to successfully deliver projects on time, resulting in an increase in organizational efficiency.

React Development Intern

Sync intern 2023

- Developed and implemented a new front-end architecture using React.js, resulting in a 25% increase in page load speed
- Collaborated with the back-end team to integrate user-facing elements with server-side logic
